

Birmingham Cross Country League Division 2 - last meeting  
Wolverhampton 11<sup>th</sup> February 2012

The calm before the storm - it doesn't really convey how cold it was!!

Lewis in full flight just before the icy corner that saw a couple of fallers!!

Dave looking really strong towards the end of his great run.

And let's hear it for the old guys too, Warren on his way to being an A team scorer at all four rounds.
