

2024 WAC Young Athletes' Cross Country Championships

Following an inspection of the traditional Newtown Green course, we decided to revert to our “post-Covid” course on the school playing fields – which also proved to be very soft going in some areas!

The change of venue allowed plenty of support from the athletes' families.

Well done to all who competed.

Some of the U11 Girls before the race

U11 Girls medal winners

U11 Boys medal winners

U13 Girls medal winners

U13 Boys medal winners

U15 Girls Medal Winners

U15 Boys medal winners

U17 Men medal winners
