

## **MIDLAND WOMENS' 6-STAGE ROAD RELAYS**

Sutton Park Saturday 17<sup>th</sup> March

What a day! Spring, Autumn and Winter (mainly winter) throughout the day.

In truly testing conditions Emma Robertson got us off to a great start finishing 13<sup>th</sup> out of 56 starting teams. Kirsty White, looking for the relay baton and realising the distance was more than 400 metres, took on leg 2. Cath Hutchinson bravely took on long leg 3 in the middle of a complete "white out" to hand on to Beccy Selvey, who once again ran an absolute cracker for our fastest short leg. New to road relay Jess Hassell had an excellent debut to pull back 3 places handing over to Emily Gwinnell to complete our team in 13<sup>th</sup> place overall.

Many thanks for your support ladies, a superb team performance.
