

GEORGE WINS PRIZE IN STRONG TEAM FINISH

WORCESTER Athletic Club men's cross-country team completed their league season strongly at Leamington's Newbold Comyn with the six A team runners all finishing in the top 90.

The race was run on a challenging course in increasingly blustery conditions which brought the best out of George Beardmore who brought the team home in 14th place.

This also secured Beardmore the coveted overall under 20 winner's prize.

Ben Duncan (33rd), Dan Geisler (44th), James Dale (62nd), Robbie Campbell (75th) and Dave Price (90th) completed the A team scorers.

The solid showing secured Worcester their second consecutive mid-table finish in the highly competitive Birmingham League with manager-coach Dave Waldron satisfied that consistency had been added to January's fourth county championship trophy in a row.

The club's strength in depth was demonstrated by the B team finishing second overall.

The group now moves on to the spring road relays at Sutton Park in March and April before the summer track season begins in earnest.
