

PAM PRICE 9<sup>th</sup> November 1942 – 24<sup>th</sup> March 2020

It is with immense sadness that we inform the membership that Pam Price passed away peacefully in St. Richard's Hospice on Tuesday evening, with her close family around her. Pam's association with the club goes back to the early 1980's when her daughter was a leading club athlete. Pam herself turned to competition in later years and was a stalwart of the veteran's field contingent. She was always passionate about our club and was an active official - many will remember seeing her stood for hours, on the track stand, or hovering by the finish tunnel in our endurance races. She'll be greatly missed.

We understand that Kim will be arranging a memorial service later in the year when it is safe to do so.
