

WORCESTER AC OPEN MEETING
Tuesday 25th April at Nunnery Wood

Worcester A.C. would like to apologise that the results on the following pages show manual times for all races due to technical problems with the Photo Finish equipment hired from UKA.

We would like to stress that the problem was beyond the control of Worcester AC and the officials operating the equipment.

Although we did display electronic times at the meeting they were derived from a manual time for the first place. They were therefore not true electronic times and consequently were not acceptable to Power Of 10.

We hope that the equipment will be repaired for our next Open Meeting on Thursday 25th May.
