

WORCESTER AC VIRTUAL 5K Series RESULTS and Report – August 2020

20 club members competed across the three race series.

Mike Jeavons M45 recorded sub 16:20 for all three, which earned him an 88% age grading! (This is an experimental statistic by the platform and only 4 athletes were trialled – see below).

The other outstanding performances were by **Andrew Jeavons** U15B and **Derek Jackson** M65 (86% age grade)

Lilia Mico U13G ran superbly in all three races improving from 20:34 to 19:56.

It was great to see participation from all the age groups and we hope that you all enjoyed the challenge.

It was a shame that I had to delete 2 times from the first race – but the rules were there for a reason!

THANK YOU ALL for PARTICIPATING - Chris C
